

Media converter RJ45 to fiber. RJ45 10/100/1000 Mbit.  
Fiber 1000Mbit SC Multi Mode and supply voltage  
12-48VDC with PoE+ out

## FEATURES

- 1000Mbit Multi Mode Media Converter with SC connector to RJ45
- 1000BASE-SX / LX to 10/100/1000BASE-T 802.3at PoE
- 1 x RJ45 10/100/1000base-T with PoE+ (30W)
- 1 x 1000base-SX/LX Fiber - SC connector Multi Mode
- Multi Mode 62.5/125my / 50/125my
- IEEE 802.3/802.3u/802.3ab/802.3z/802.3x Ethernet standard
- DIN rail mounting
- Supply voltages: 12 - 48VDC or 24VAC with PoE out
- PSU not included
- IP30
- Operating temperature: -40°C to +75°C

## SPECIFICATIONS

|                 |   |                                              |
|-----------------|---|----------------------------------------------|
| Operating Temp. | : | -40°C to 75°C                                |
| IP-Tæthed       | : | IP30 metal case                              |
| PoE             | : | 30 watt                                      |
| PoE             | : | IEEE 802.3at, 802.3af                        |
| Porte           | : | 1 x 1000base-x sc 1 x 10/100/1000base-t rj45 |
| Strømstyrke     | : | 12 ~ 48V DC/24V AC                           |
| Weight          | : | 510g (500g)                                  |
| Dimensioner     | : | 32 x 135 x 87,8 mm (W x H x D)               |
