

MNU-2424

Liquid level w/ultrasonic sensor for the X-4XX series.
Measurement distance 0 - 12 meters. RS485 bus.
NMEA 6P. 8 - 24VDC 22MA

FEATURES

Liquid depth measurement with RS485 interface
measuring depth: 0 - 12 meters
Operating temperature: -30 - + 140 ° C
House: PC / PBT, Cream transducer
Supply voltage: 8 - 24VDC < Br> Objective: Tip Ø
5cm
setup with RST-3002 programming module
