

Gigabit PoE++ splitter (60W) for PoE Data and 12VDC/5A or 19VDC/3.2A or 24VDC/2.5A out to equipment

FEATURES

- Gigabit PoE splitter for indoor installation
- PoE++ (60W) splitter with optional DC output for non-PoE equipment
- DC output: 12VDC/5A or 19VDC/3.2A or 24VDC/2.5A
- 1 x RJ45 port for PoE++ in from switch or PoE Injector
- 1 x RJ45 port (data) for non-PoE equipment
- 1 x DC Jack connector (5.5/2.5mm) for equipment
- PoE standard: IEEE 802.3at/bt (PoE++)
- IEEE 802.3at (PoE+ Mid-span)
- IEEE 802.3bt (PoE++ PoH HDBaseT) - type 4
- Operating temperature: 0 - +50°C
- Wall bracket
- Additional DIN brackets
- Dimensions: 94 x 70 x 39 mm
- Weight: 265g
