

LC-3A120

3 Axis Load Cell pressure and pull in 3 plane. 120kN.
3 pieces Strain Gauge Bridge. Compact. Temperature compensated

FEATURES

- 3-axis - ForceX, ForceY, ForceZ Load cell
- 3 x Strain Gauge Bridges
- Series from 10n to 500 KN Power Area
- Current model is for 120kN
- Compact Size
- Low Cross Talk
- mV/V output
- Temperature compensated
- Made in Aluminum - De-stressed material
