

Svensk Binär Teknik

ESW24GP

24 port switch 10/100 / 1000Mbit RJ45, Unmanaged,  
230VAC

## FEATURES

24 ports 10/100/1000Mbit non managed Ethernet switch - 48Gbit/s.  
100 - 240VAC PSU indbygget  
Metalchassis.  
Rackbeslag medfølger.

## SPECIFICATIONS

|                  |   |                                                                                                        |
|------------------|---|--------------------------------------------------------------------------------------------------------|
| Operating Temp.  | : | 0 - 50° C                                                                                              |
| Andet            | : | 9K bytes Jumbo frame                                                                                   |
| Hukommelse       | : | 8.000 MAC adresser                                                                                     |
| LED              | : | System power, porte, 10/100 M, 1000 M                                                                  |
| Porte            | : | 24 x RJ45 skærmede Ethernet stik med MDI/MDI-X auto crossover                                          |
| Standarder       | : | IEEE802.3 10BASE-T, IEEE802.3u 100BASE-TX, IEEE802.3ab 1000BASE-T, IEEE802.3x full duplex flow control |
| Strømforsyning   | : | Indbygget strømforsyning tilsluttes 100-240 VAC 50-60 Hz, forbrug: 18 w                                |
| Switch kapacitet | : | 48 Gbit/s, 35,7 Mpps (pakker pr. sek.)                                                                 |
| Dimensioner      | : | 45 x 440 x 180 mm (H x B x D)                                                                          |
